EASY to install

DISAPPEARS in just 10 seconds

Features

The Versaline BROADLINE (6-line) and SLIMLINE (4-line) clotheslines:

Have **NO LENGTH RESTRICTIONS**

Because the wall brackets are installed independently, it allows you to install a clothesline onto:

- Verandah posts
- Piers and pillars
- Studwork
- Fence posts
- Across windows and doors
- On any wall space up to 5 metres apart

Can be installed **ANYWHERE**

With the addition of various MOUNT accessories, you are also able to install a clothesline almost anywhere:

- Perpendicular from a wall or between walls
- At a 45 degree diagonal across a corner
- Onto round posts
- On a Colorbond fence

DISAPPEAR from sight

The VERSALINE clothesline can be either:

- Folded flat against the wall when not in use
- Removed completely to give you back your space

Standard colours

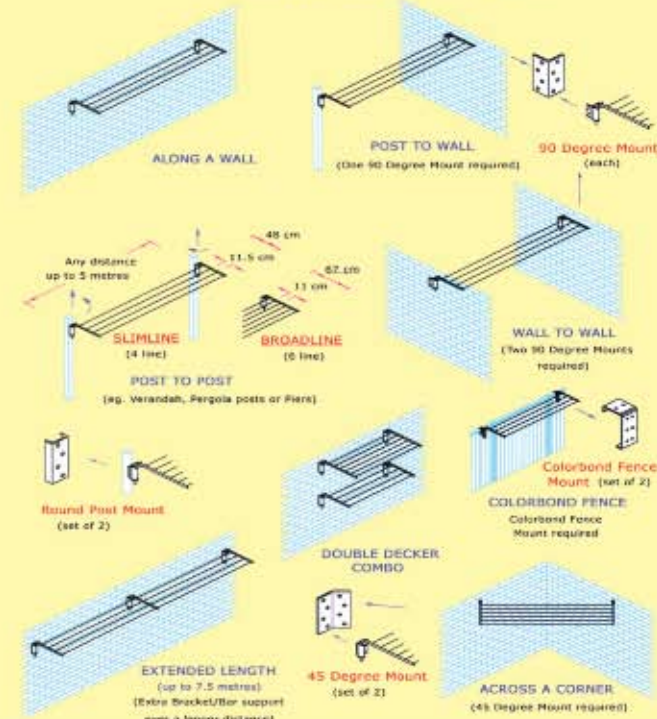

APO Grey (light grey)

Pale Eucalypt (light green)

316 Stainless Steel

VERSALINE covers all angles
