CUSTOMIZED clotheslines

The BROADLINE and SLIMLINE
can be custom-made any length
to fit any span or space
and can easily disappear
to leave very little trace

SLIMLINE (4-line)

AUSTRALIAN MADE

BROADLINE (6-line)

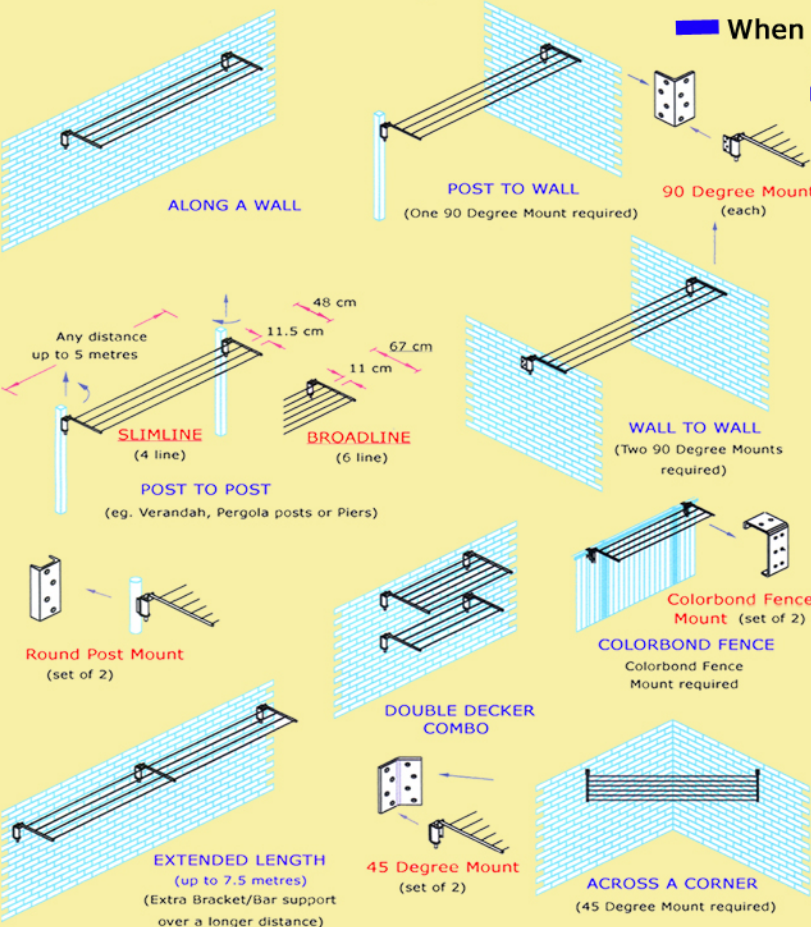

- No fixed length as wall brackets are installed independently to fit any span requirements
- Can be installed onto solid walls, posts, piers or studwork
- The perfect clothesline for narrow side passageways and sits neatly under eaves to obtain some rain protection
- Great undercover clothesline
- When not in use, these clotheslines can be either:
 - folded against the wall or
 - be easily removed from sight to restore ambience

- Various mounting options available (not included in standard pack)

- Storage bag available
