AUSTRALIAN MADE

CEILING MOUNTED AIRERS

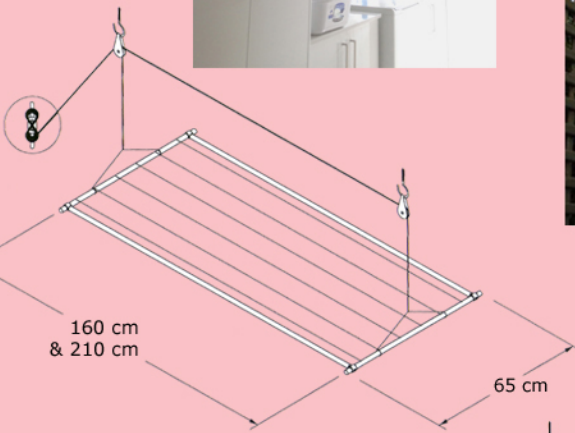

Pulley Rail Airer

Pulley clothes airers are a great addition for any high ceiling home to take advantage of the space above for the air drying of washing

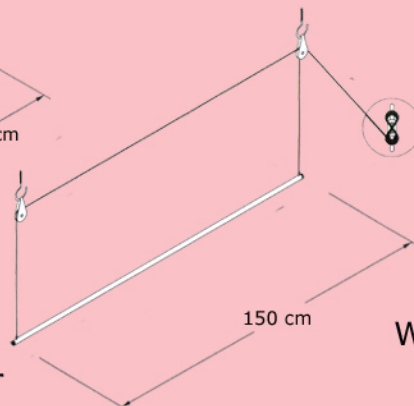

UP&AWAY clothesline

- Make use of convection (natural rising warm air) to dry your washing
- Adjusts to any height
- Hides away up out of the way when not in use
- Suitable for either indoor or outdoor use
- Made from lightweight anodised aluminium
- Up&Away has 13 or 17 metres of hanging space
- Pulley Rail Airer has 150 cm hanger capacity
